and ISO 9001, ISO/TS 16949, ISO 14001, OHSAS 18001 Certification
Body

This certificate is issued pursuant on the conditions shown below

Registration Number: MST392647

This certificate is issued by and is the property of the Vehicle Certification Agency,
1 The Eastgate Office Centre, Eastgate Road, Bristol, United Kingdom
and is to be returned on formal request.

The facilities shown on this certificate have been appraised in accordance with VCA internal quality procedure WI 03-101 to indicate their suitability for official witnessed tests and/or COP purposes to VCA engineers. This certificate does not constitute any formal approval, and recognisably third parties for any other purpose is entirely at their own risk. The appraisal is valid for this facility for a maximum period of three years, but VCA reserves the right to reassess the entry if witnessed tests are not routinely undertaken. The facility is obliged to inform VCA of any major changes to equipment, procedures or personnel, and at its direction VCA may temporarily or permanently remove the facility from the register of certified facilities without notice until a satisfactory reappraisal has been completed. Application must also be made to extend the use of the facility to cover additional or new Directives and Regulations.
